Parking, etc: The address of the Lincoln Lancaster County Health Department is 3140 "N" Street, however that address will take you to employee parking. The building is located at the equivalent of 32nd and "O" on the south side of "O." The easiest route is to be east-bound on "O" and take a right (turn south) into our facility. Drive to the east side of the building and use the public entrance there. Once inside, take the elevator or stairs to the Lower Level. Straight ahead from the elevators is the Training Center, which is where the meeting will be held. If you have any problems, call my cell at 402-617-3309.
