[mdekraai2@unl.edu](mailto:mdekraai2@unl.edu)

**Greg Baxter** – CFO T&E Cattle Company, Grand Island, NE.

I am the third generation of our family to own and operate T&E Cattle Co., a diversified business involving cattle feeding, farming, real estate development and other interests. Our family business was originally founded in 1934 and continues operating out of the same location in Grand Island today.

Business and industry involvement activities include positions as past Board of Directors member and Committee chair positions with Nebraska Cattlemen Association, a policy developing organization representing the interests of Nebraska beef producers. I presently serve on the Board of Directors of National Cattlemen's Beef Association. I have been recognized for multiple year participation with educational programs hosted by the Nebraska Beef Council to advocate and educate professionals from various fields and disciplines to dispel mistruths and perceptions about beef production practices. I have participated in a task force studying animal agriculture industry risks associated with infectious animal diseases, transmission and emergency planning, working with representatives from various agencies, both at State and Federal levels and academia. I am currently serving on the Exec Board of Directors of Fonner Park, a Thoroughbred Racetrack non-profit organization, home of the Nebraska State Fair and host to numerous other large civic events throughout the year.

**Karen Bredthauer**-Licensed Cosmetologist /Entrepreneur

Resident of Hall County since 1985

Appointed to the Hall County Planning Commission in March, 2007.

A member of the Zoning Board of Adjustments for Hall County since July, 2006.

A member of the Interjurisdictional Planning Commission Board since May 2008. My term expired October 2015 due to term limits.

Volunteer for the United Way and Habitat for Humanity (building committee).

Established and developed the Springdale LLC Subdivision in 2006.

Built and sold 37 houses in six years in the Springdale Subdivision with a total of 43 homes built in the city of Grand Island.

Experienced in general contracting.

Knowledgeable of City Building Codes, street requirements, setbacks and improvements.

I know how to balance a budget and complete a business plan.

Licensed Cosmetologist for 30 years.

Managed or Co-Owned salons 26 years.

Purchased and paid for on my own 710 acres of farm ground. Which I manage with farm leases.

Maintain and repair fences, pivots on this property.

Very conscious steward of the farming husbandry.

I'm a down-to-earth farm/ranch girl from Burwell Nebraska with experience in all aspects of farming and ranching.

I have a common sense approach to life and living. I'm self-made.

I work well with others, I'm an experienced researcher, outgoing, diversified, successful and an optimistic team player.

I'm a thinker, planner and a doer.

**Christopher L. Exstrom** – Professor of Chemistry and Director, Science/Math Education M.S.Ed. Program  
– University of Nebraska at Kearney

Illinois Wesleyan University (B.S. Chemistry) 1990

University of Minnesota (Ph.D. Inorganic & Analytical Chemistry) 1995

Visiting Assistant Professor of Chemistry, Kenyon College (OH), 1995-96

Initial faculty appointment at UNK, 1996

Chair, UNK Department of Chemistry, 2000-2006

Currently teach General, Inorganic, Environmental, and Materials Chemistry courses. Have scholarly expertise in nanomaterials synthesis and properties with applications in solar cells and sensors. Conduct research in the development of low-cost, next-generation solar cell technologies. Have received \$2.5 million in research funding from NSF, DOE, NASA, Nebraska EPSCoR, and the Nebraska Research Initiative program. The research has produced 24 journal articles, 7 provisional or full patents, 96 conference presentations, and the mentoring of 70 UNK undergraduate research students.

Headed a NDEQ subcontract for the conduction of air (soil-vapor extractor) and groundwater chemical analysis at the EPA Cleburn Street Superfund site in Grand Island. Was the training curriculum developer for Keep Nebraska Beautiful's EPA grant-funded Nebraska School Chemical Cleanout Campaign. These materials formed the UNK CHEM 805 (Chemical Management & Safety for H.S. Teachers) course that is part of the Science/Math Education M.S.Ed. program, an online Master's degree program for high school teachers that blends pedagogy and science/math instruction.

Received two of UNK's top faculty awards: Pratt-Heins Award for Excellence in Research (2006), Leland Holdt/Security Life Insurance Company Distinguished Faculty Award (2010)

**Alexander J. Harness** – Continuous Improvement Supervisor, Environmental – CNH Industrial America LLC

University of Nebraska Kearney  
B.S. *Physical Science* - 2013

Began career with CNH Industrial in 2014 as Environmental Pillar Supervisor. Previously studied Physics, Math, and Environmental Science at University of Nebraska-Kearney.

Currently lead Environmental and Energy projects to save money and reduce the manufacturing impact on the Environment. Has responsibility for maintaining the manufacturing plant's ISO 14001 Environmental standard, and ISO 50001 Energy standard. Supports Environmental compliance of Water, Air, and Waste Permits.

Supervises activity in the plant's 3 paint systems, and monitors the impacts of welding, fabrication, and assembly of Combines and Haytools products from the Case New Holland manufacturing facility.

**Brad Kloss**- Utility Superintendent Village of Alda

Currently employed by the Village of Alda for the last two years. I am Wastewater Certified to maintain the Lagoons. Also am Class IV Water Certified to maintain the water system. I have also attained a pesticide Applicators License for insect control. And have a Class B CDL to operate the various machinery needed to maintain the streets.

I previously was a fuel delivery driver and still currently carry the Hazmat endorsement to my CDL

I have never served on a committee before, but look forward to the opportunity.

Village of Alda

Leadership Tomorrow Class #21  
Sold Property/Casualty, Work Comp, Commercial, and Life Insurance

**Jon Rosenlund,  
Emergency Management Director**

100 East First Street  
P.O. Box 1968  
Grand Island, NE 68802-1968  
Phone: (308) 385-5360

Email [Emergency Management Director](mailto:EmergencyManagementDirector@grandislandne.gov)

**Jon Rosenlund** was appointed Emergency Management Director in 2007. Jon has a Masters Degree in Public Administration and a Bachelor's of Arts in Russian, both from Brigham Young University. Jon 's career in 9-1-1 communications began in 1996 as a public safety dispatcher, and expanded into the field of emergency management in 2003 in Sterling, Colorado. Jon and his wife, Becky, have five children.

**Casey C. Sherlock, L.S. 636, County Surveyor, GIS Director and Public Works Director for Hall County**

I am currently a resident of rural Hall County near the Village of Alda, Nebraska. I have been married 15 years and have two children, a son Westin that's 10 years old and a daughter, Kierra that's 13 years old. I was born in Alliance, Nebraska and graduated from Alliance High School in 1994. I have a Bachelor of Science Degree with a comprehensive major in Mathematics from Chadron State College in 1999.

I began my surveying career in 1995, became a licensed land surveyor on July 1, 2004 and I have been the elected full-time County Surveyor, County Highway Superintendent, and GIS Director for Hall County in Grand Island, Nebraska since October 1, 2005. I am Elected County Surveyor for a term of 4 years. I hold a Class A County Highway Superintendents License and a Class A City Street Superintendents License.

I serve on the Nebraska Association of County Officials Board of Directors, the Technical Advisory Committee for the Grand Island Area Metropolitan Planning Organization and the Professional Surveyors Association of Nebraska Board of Directors.

I am a Past President of the Nebraska Association of County Engineers, Highway Superintendents, and Surveyors.

**Timothy J. Smith** – Land Manager – The Crane Trust

University of Nebraska at Kearney (B.S. Biology with Wildlife Emphasis) 2007

Amphibious assault vehicle crew chief and section leader with 3<sup>rd</sup> Assault Amphibian Battalion – 1<sup>st</sup> Marine Division (1998 -2002).

Biological Science Technician - U.S. Fish and Wildlife Service (2007 - 2010). Monitored migratory birds for disease outbreaks such as avian cholera and H1N1. Surveyed populations of amphibians for deformities associated with pesticide use in the Rainwater Basin Region of Nebraska. Mapped and monitored vegetation on Waterfowl Production Areas for effects of management activities over time.

Habitat Specialist/Biologist (2010 – 2014). Assisted land managers with the Nebraska Game and Parks Commission, U.S. Fish and Wildlife Service, NGO's and Private land owners manage habitat for migratory birds in 21 counties of south-central Nebraska.

Land Manager – Crane Trust (2014 – present). Planning and implementation of all management activities on property owned by the crane trust. This includes working with local farmers and ranchers to accomplish the mission of the Crane Trust. Management activities include: grazing, haying, prescribed fire, control of noxious and invasive weeds and in channel disking.

Awarded the “2015 Wetland Stewardship Award” by the Rainwater Basin Joint venture.

Has enjoyed living in Grand Island with wife and 2 sons for several years and is actively involved in coaching Little League baseball and youth football.

**John C. Turnbull** - Retired General Manager - Upper Big Blue NRD

University of Nebraska (B.S. Agronomy) 1966

Retired Master Army Aviator - US Army (1966-1969) Helicopter pilot Vietnam 1968 - Nebraska Army National Guard (1981 - 1998)

Retired after 40 years as General Manager of two NRDs, Tri-Basin NRD at Holdrege (1975 - 1978) and Upper Big Blue NRD at York (1978 - 2016). Dealt with flood control, soil and water conservation, as well as groundwater management and regulations for both quantity and quality.
