

Lincoln Firefighter's Reception Hall / 241 Victory Lane / Lincoln, Nebraska

Sponsored through the Nebraska Department of Environmental Quality and Nebraska Public Power District Environmental Partnership Agreement

- The Power Summit provides those in the power generating industry and those responsible for the implementation of the associated environmental regulations with an opportunity to exchange information related to power production, environmental policies, programs, and issues in Nebraska.
- A primary objective of the Summit is to enhance the dialogue that has been established between the power industry and the associated regulatory agencies.
