22) Permit Language Attachments

You are required to submit suggested draft permit language by Title 129, Chapter 15, Section 003.03B. On a separate sheet(s) of paper, provide the appropriate draft permitting language that will revise your existing operating and/or construction permit. The Department also requests that you attach the current permit language.

Suggested Draft Permit Language Attached? YES

Current Permit Language Attached? YES

23) Operating Permit Revision Requirements

Please verify the following requirements if you are requesting a minor revision to an operating permit:

- The minor permit revision does not violate any applicable requirement or applicable requirement under the Act. (003.01A)
- The minor permit revision does not involve significant changes to existing monitoring, reporting, or recordkeeping requirements in the permit. (003.01B)
- The minor permit revision does not require or change a case-by-case determination of an emission limitation or other standard, or a source-specific determination for temporary sources of ambient impacts, or a visibility or increment analysis. (003.01C)
- The minor permit revision does not seek to establish or change a permit term or condition for which there is no corresponding applicable requirement or applicable requirement under the Act to which the source would otherwise be subject. (003.01D)
- The modification occurring does not require a construction permit under Title 129, Chapter 15, and the modification cannot be described as a major modification under Title 129, Chapter 19 or a modification under Chapter 18, Section 001.01 or Chapter 23, Section 001. (003.01E and 003.01F)
- The minor permit revision is not required by the Director to be processed as a significant revision.
- The minor permit revision does not involve the use of economic incentives, marketable permits, emissions trading, or other similar programs or procedures. (003.01G)

To the best of my knowledge, this request for a minor revision to an operating permit meets all of the requirements listed above.
