Revised March, 2019

Natural Disaster Clean-Up Directory

- **Appliances and White Goods:** Not allowed in any landfill. Segregate from other waste, recycle if possible, or pay for disposal.
- **Asbestos:** Contact Nebraska Department of Health and Human Services (DHHS) Asbestos Program **(402) 471-0386** for asbestos inspection and removal information prior to cleanup/disposal activities. Asbestos must be removed from any structure before disposal of associated building materials can occur.
- **Batteries:** NDEQ **(402) 471-4210** Lead-Acid batteries are not allowed in any landfill. Smaller batteries should be recycled if possible, may be disposed in MSW landfill. Try to organize so ends do not contact and discharge, as it is a possible fire hazard.
- **Burning:** Burning of any structure damaged by a natural disaster is generally not allowed. Burn permits issued locally are only intended for the burning of natural wood, trees, and brush. Nebraska State Statute allows for the burning of a structure to educate and train members of an organized fire department. Before any structure may be destroyed by fire it must be reported to the State Fire Marshal and a permit issued for that purpose. **Nebraska State Fire Marshal: (402) 471-2027**
- **Construction and Demolition Wastes:** Collect and aggregate in a single area, remove all recyclable materials before disposal. This waste must be disposed of at a Municipal Solid Waste (MSW) Landfill, or a Construction and Demolition (C&D) Landfill.
- **Electronics:** NDEQ **(402) 471-4210** Remove recyclable materials, dispose of at a MSW Landfill. Old Cathode Ray Tube (CRT) televisions and monitors from businesses must be handled as Hazardous Waste.
- **Household Hazardous Waste (HHW):** NDEQ **(402) 471-4210** Segregate from solid waste. If there is no HHW service or collection point available this waste may be disposed of at a MSW Landfill.
- **Industrial Hazardous Waste:** Report all spills/releases to NDEQ at **(402) 471-2186**, or **(877) 253-2603**, or after hours, holidays and weekends to **Nebraska State Patrol Dispatch at (402) 479-4921**. Contained wastes must be handled contained and disposed as per NE Title 128.
- **Infectious Waste:** NDEQ **(402) 471-4210** Must be rendered non-infectious before disposal in a MSW Landfill. Often this material is handled by a Waste Service Provider that will render the waste non-infectious by incinerating the waste.
- **Municipal and Industrial Waste:** NDEQ **(402) 471-4210** Must be disposed of at a MSW Landfill.
- **Oil and Oil Wastes:** All spills over 25 gallons must be reported to NDEQ at **(402) 471-2186**, or **(877) 253-2603**, or after hours, holidays, and weekends to **Nebraska State Patrol Dispatch at (402) 479-4921**. Contained oils must be recycled or properly disposed through a used oil marketer or waste service provider.
- **Scrap Metal:** NDEQ **(402) 471-4210** Sheet metal, damaged large appliances, vehicles, etc. Professionally drain all fluids from vehicles, safely remove Freon from appliances, and prepare all scrap for safe recycling before disposal.
- **Tires:** Tires are not allowed in any landfill. Segregate from other waste, wait for local tire collection day, or pay for disposal.
- **Trees, Brush and other Storm Debris:** NDEQ **(402) 471-4210** Pile on site away from other solid waste, remove any treated wood. Transport to local permitted burn site, C&D Landfill, local temporary storm debris accumulation area, or obtain a burn permit through your local fire department for natural wood, trees and brush only.
- **General Questions:** Contact NDEQ at **(402) 471-2186**, Waste Management Section at **(402) 471-4210**, or the **Environmental Compliance Assistant at (402) 471-8308**.

Debris removal guidelines

In efforts to expedite the debris removal process, please follow these rules

Placing debris **near or on trees, poles or other structures** makes removal difficult. This includes fire hydrants and meters.

Debris separation

Please separate debris into the **six categories**, shown below.

Electronics

Television, computer, stereo, phone, DVD player

Large Appliances

Refrigerator, washer/dryer, air conditioner, stove, water heater, dishwasher

Hazardous waste

Oil, battery, pesticide, paint, cleaning supplies, compressed gas

Vegetative debris

Tree branches, leaves, logs, plants

Construction debris

Building materials, drywall, lumber, carpet, plumbing

Household garbage

Bagged garbage, discarded food, paper, packaging, furniture.

Debris should be placed curbside

Debris should not **block roadway**
